CELTA

What is CELTA?

CELTA is an initial qualification for people with little or no previous teaching experience which will open up a whole world of exciting teaching opportunities. Because it is awarded by Cambridge English, part of the University of Cambridge in the UK, you can rely on its quality and recognition. Over 10,000 people successfully complete a CELTA course each year.

How does CELTA relate to TEFL/TESOL?

'TEFL' or 'TESOL' are terms often used to describe qualifications for English Language teachers. CELTA, the best known and most widely taken initial TESOL/TEFL qualification of its kind in the world, was previously known as CTEFLA and the 'RSA certificate'.

Who Recognises CELTA?

CELTA is accepted throughout the world by organisations which employ English Language teachers. Cambridge ESOL also works with international ELT organisations to ensure the acceptance of CELTA globally.

Who is CELTA for?

People starting a career in English Language teaching

You may be considering a career in English Language teaching and view CELTA as an entry into a good teaching position in another country, or you may be a graduate wanting a qualification that provides a sound basis in the fundamentals of language teaching practice and gives you the confidence to take control in the classroom.

People looking for a career change or career break

Increasingly, CELTA candidates are professionals either looking for a new career opportunity or wanting a short break in their existing career. Many seek the exciting opportunities of living and working abroad. Whether wishing to teach English for the short or long term, CELTA provides the training needed to help adjust to a dynamic and challenging new profession.

People teaching English without formal qualifications

CELTA can also be a useful qualification for teachers who have little previous formal training. CELTA sharpens your teaching practice, confirms abilities, and may even lead to internal promotion or a better teaching job.

Am I eligible to apply? Ideally, You should:

- Have a standard of education equivalent to that required for entry into higher education
- Be aged 18 or over
- Have a standard of English which will enable you to teach at a range of levels.
